

# MOTHER'S DAY MOTHER'S DAY MOTHER'S DAY MOTHER'S DAY MOTHER'S DAY

## DIY WRIST CORSAGE

Step 1: Head to Whole Food's at Colonie Center and grab a bouquet of flowers.

Step 2: Grab some ribbon from around the house. Don't have ribbon, get creative. An old (clean) sock will do.

Step 3: Find some glue-hot glue gun, super glue, any type of tacky glue will do, and a trusty pair of scissors.

Step 4: Cut the head of each flower off the stem. Or trim the stem as much as you can and glue the flower to the ribbon.

Step 5: Let everything dry and set- could take up to 2 hours.

Step 6: Gift Mom her beautiful corsage on Mother's Day. Don't forget to have her share a photo with us on social (@ColonieCenter).
