

**Colonie Center Artist Mural Project: \$15,000 ALL IN BUDGET - SAMPLE MURAL PRICING SHEET**

The total budget is \$15,000. Pricing includes all materials, all artist fees and all taxes.

Pricing averages at \$13 per square foot at 2,430 sf.

(Square Foot is determined by multiplying the height x width of the painting surface)

SAMPLE PRICING, per square foot:

Prices per Designated Area Size		
DIMENSIONS	<sup>2</sup> AREA (roughly)	PRICE
Total Area 1 + Total Area 2	2,430ft.	\$32,000.00

**Design/Sketch Fees:** Includes up to 3 sets of changes to selected design as requested.

**Pricing includes:** All travel, all materials, all design and artist fees, and any assistant fees or additional related cost[s] for work completion.

**Pricing does not include:** Wall preparation (such as patching and priming), artist liability insurance, lift rental, or documentation and marketing costs. These will be provided at no additional cost to artist or artist team for this project.

\*Additional work due to adverse conditions on surface that requires extraneous labor will need to be factored into your budget pricing of \$32,000.00. Please keep in mind some of these factors cannot be determined until work has begun which is why we **recommend adding a 5%-10% contingency allowance for unforeseen costs to your budget.**

\*Please include specifics for type of paint and type of sealant you plan to use. This includes preservation expenses to seal your mural which should be built into your total cost. Preservation expenses to seal your mural must be estimated and included in your total budget. The lifespan of your mural will depend on the type of paint, sealant, and pigment selected. We highly suggest you visit the site to observe the sun exposure inherent to the mural site.

**PAYMENT TERMS:** A 50% deposit is due two weeks prior to start date of painting (this allows ordering of supplies and scheduling.) Full balance is due on the final day of completion.
